

The Bible

TIMELESS TRUTH IN UNCERTAIN TIMES

DISCUSSION QUESTIONS: WEEK 2

1. Was the material in this lecture on canon and reliability new to you? Was it surprising? Was it helpful?

2. Why should we care about these fairly academic topics like canon and reliability? In other words, how does the material we studied tonight affect our daily lives? See Luke 1:1-4.

3. Have you ever practiced biblical meditation, our new skill for the night? Was it helpful? Why or why not?

4. If you have spent time in biblical meditation before, what passages or biblical statements have been most beneficial to you? Why?
